**YOUR KEY TO
HAPPINESS
IS HERE**

A PERFECT WAY OF LIFE

Happiness is a state of mind and an orientation of the heart and mind. It is a settled state of contentment and confidence. Happiness is also what happens to us when we allow ourselves to recognise how good things and life really is.

Happiness is to smile, to care, to share, to laugh, to celebrate and to reward. In every aspect of our lives and in every moment of our doing, happiness can always be felt within us and in the smiles of our loved ones.

Well ! Sri Tirumala Millennium believes in offering this experience that is nothing but pure bliss. A smart haven that offers all the amenities and luxuries that one desires towards living the good life. A planned marvel built on decades of trusted experience to make sure you and your loved ones live in good energy and happy surroundings.

Explore living life at Sri Tirumala Millennium, it's here for the new age living.

LIVE LIFE... REFRESHED

Situated at Mallarpur, Secunderabad, one of the most premium locations that will very soon become the new IT Hub announced by the Govt. of Telangana with 5 IT Projects already allotted, Sri Tirumala Millennium is a perfect blend of modern architecture, culture and spirit. Enveloped with a world of conveniences and very close to your workplace, this project is surrounded by greens and daily necessities.

Here, You can stroll, relax, read, work out, swim, play a sport, meditate and also celebrate under the stars, the way you've always wanted to. You and your family can take happy breaths of air and smile at your success while your loved ones and you enjoy the good things of life. Welcome to the Millennium...Live refreshed.

PERFECT MASTER PLAN

COMFORT AND CONVENIENCE AT ITS BEST

Sri Tirumala Millennium comprises 2 and 3 bedroom homes that also offer a plethora of comforts for you and for your family. Comforts that are a perfect blend of what nature has to give and what we have designed, with you in mind.

Architecturally speaking, Sri Tirumala Millennium is perfectly ventilated to let in adequate light and air. Windows and doors are strategically placed to let interiors have more natural light. Our well designed pathways have done away with unnecessary passages which means while you and your family enjoy the smart utilisation of space inside, the plush surroundings and thoughtful amenities will envelop you with pride.

At EAPL Group, we have always kept convenience and comfort as our basic standards of must haves to offer you with a fresh approach towards living life.

CUTTING COSTS AND ADDING JOYS

Sri Tirumala Millenium believes that life must exist alongside nature, not at the cost of it. The reason why, the apartments has been designed in such a way that there is minimal alteration to natural green spaces.

And we have also made sure that energy is conserved in whichever best way possible. Sewage water is recycled and used to water the plants and landscaping thereby cutting the costs of maintenance, yet keep the nature green for a healthy living surrounding. To help improve depleting ground water levels, rain water harvesting pits have been set up at every important areas to make use of every drop of water possible. May we call this Smart thinking and Smart Savings??

KTR: 5 IT parks to come up in Eastern side of city

S.A. ISHAQULI DC
HYDERABAD, July 11

Information Technology and Industries minister K.T. Rama Rao on Wednesday announced that five IT parks will be coming up in the eastern corridor of the city along Uppal, Madhapur and Nacharam. Speaking at NDC Avenue in Uppal after handing over letters approving conversion of industrial parks into IT parks, he said that the five parks will come up over about 25-30 acres and will generate direct employ-

ment for about 30,000 people.

KTR announced that the state government will soon bring out a 'Hyd-erabad Growth in Dispersion (GAD)' policy to attract new investments to eastern side of the city. Stating that the policy is awaiting Cabinet nod, he said the new policy will ensure development of IT parks on all four sides.

The minister said since each GADs are being planned to focus on creating and enhancing employment and residential opportunities with ade-

quate infrastructure.

Referring to the government's plans to develop infrastructure in eastern parts of Hyderabad, he said recently, a review meeting was held with different stakeholders to understand the various requirements of this region.

He said that one skywalk between Uppal and Madhapur and a flyover from Amberpet to Ramasethupally are in various stages of construction.
